Description

Moon

Moon is a dark brown stocking legged pretty john mule. He is 14 years old, weighs 1200 #, and stands 15.2. Moon is a very gentle easy going mule. He has been in the mountains gathering cattle through the water, in the heavy brush, and up and down steep hills. Moon travels out well and willing to go where ever you point him. He has the stamina and structure to last. You can pack him. Little kids can ride Moon. Dogs don't bother him. You can pick up all feet easily. Moon is easy to catch and always in your back pocket. He bathes, clips, and is easy to shoe. He trailers well. With any questions call Mike Ralph, 541-660-4481.
