GUN REIN SLIDE N CUT

2018 AQHA Buckskin Roan Mare

EE/AA nd1/nd2 nCr nRn with SW2 gene

4 panel clean n/Hrd carrier

Pre-purchase exam has already been completed at my expense! Not only did she pass with ease but even my vet complimented many times about how well behaved she is

and that her exam is the first in over a year that she can write well behaved on the exam report! WOW!

Are you looking for a horse that will take you anywhere to do anything? Then this is the horse for you! Aka Whiskey is just as sound as she is smart, and did I mention beautiful? She gets compliments everywhere she goes! It's like having two horses for the price of one, she is a beautiful red roan in the fall/winter, then sheds out to be a gorgeous light buckskin during the spring/summer! Not only does she draw all the attention with her flashy color and markings but she's also the most well-mannered horse around. Very respectful and light on her cues. She is curious by nature and a very fast learner. She loves spending time with her humans. This mare will lead, stand all day, load, bath, pick up all four feet, cross anything you put in front of her including water, logs, bridges, rocks and gulley's. You name it she's crossed it. Loud noises? No problem. She has been ridden while fireworks were being shot off and she acted like it was nothing. Airplanes, car horns, semis, she's been around it all and acts as if it's not even there. She lopes lovely circles and knows her leads. Whether you want to hit the trails, obstacle courses, carry a flag, swing a rope off her, do mounted shooting, playdays, or head to the arena this mare can do it all and give her best while she does it. Ride her around one handed, sit and relax while she does the rest. She wants to please and works hard when asked. She has ponied other horses and been ponied herself. Whiskey is good around dogs, cats, chickens, children, chain saws, lawn mowers, side by sides, four wheelers, dirt bikes, bicycles, traffic etc. She has been ridden down many trails and many roads. She is sure footed and steady. At just 4 years old this mare has had more exposure than most 10 year old geldings.

Whiskey has extensive groundwork and knows 28 different exercises on the ground, she is very responsive and gives a yes ma'am/sir attitude without that mare-ish behavior! In the saddle she is very soft and responsive, she knows 27 groundwork exercises. She has had many hours of desensitizing with balls, tarps, Walmart sacks, feed sacks, flags, pop guns, fireworks, water hoses, whips, and more!

She will drop some gorgeous babies no matter what she is bred to color wise and her sw2 gene gives some nice chrome as well!

Whiskey has several money earners in her pedigree as well as NFQHA bloodlines up to 87%! She is the granddaughter of NO GUNS PLEASE (sired by Chic Please x Katie Gun) who has 337.5 AQHA points in the show ring, LTE \$25,000+, Offspring Earnings in Excess of \$20,000. 2005 AQHA World Jr.Tie Down Roping-Res. She is the great granddaughter of sire CHIC PLEASE (sired by Smart Chic O Lena x San O Lenita) who has points in, AQHA 20 points, AQHA ROM Performance, 19.5 Reining points, and 5 Working Cowhorse points. Chic was the 1998 NRHA Open Futurity Champion, the 1998 NRCHA Open Snaffle Bit Futurity Reserve Champion and the 1998 Equistat All-Division Reined Cowhorse Reserve Champion. I bought Whiskey as a two year old from her breeder, and I have been the only one who has trained her. She has not been passed around or had multiple different owners, which is a huge plus in todays age. I have been waiting for her breeder to also register her sire in APHA, as soon as she gets that accomplished whiskey will be eligible to be APHA registered as well. I can pass the breeders information onto the buyer. This mare has her whole life ahead of her and can take you any direction you want to go in and make a great partner doing it! Her sweet personality and great disposition is easy to fall in love with, she quickly becomes everyone's favorite horse! To come see her in person please email us at ozmhorsesllc@gmail.com, or give us a call at 580-478-2841.

Her video is after all the pictures in her profile

All that she needs now is YOU!
