Description: 2017 AQHA BAY GELDING

Royal Luck is an eye catcher! This shapely gelding has enough mane and tail for two horses and gets noticed everywhere he goes. He changes leads, stops hard, lopes pretty circles, turns around and works a cow. He's

also been used outside, roped the sled, worked at the sale yard and is lightly started out of the box. This is a versatile all around gelding that is AQHA Ranching Heritage enrollment eligible and well on his way to being a serious competitor in those events. He's ready to show at the local cowhorse shows and would also make a jam up rope horse. He's 14.3hh with good bone. Royal Luck is a son of Smart Luck who won more than \$240k in combined cowhorse and reining earnings. His dam Royal Billy Boy, has produced \$6000+ money earners in both the cowhorse and AQHA Ranching Heritage. See syringabendstockhorses.com for video. FMI: (208) 495-4045 for details
