CHEX ARE FOR CHICS

We had so much fun at our first ever Premiere Horse Sale in Ocala, Florida we decided we would love to take a road trip across the country to Reno! We are humbled and honored to be given the opportunity once again to bring a very nice mare! Chex Are For Chics, a.k.a. "Princess Belle" has been in our program for the last 4 years. She was started and trained exclusively on our farm. This gorgeous 2017 buckskin mare stands 15 hands and is sired by the outstanding son of Smart Chic Olena, Shine Chic Shine! Shine Chic Shine is a money earner of over \$148,000+ in the National Reining Horse Association. He has produced money earners of over ONE MILLION DOLLARS! Belle's dam, the late Chex This Image, was an NRHA World Champion and sired by Bueno

Chexinic. Princess Belle has a nice deep, smooth, sliding stop, a rocking chair lope, and solid lead changes. She has earned money in NRHA events and placed 12th in the NSBA Stakes at The All-American Quarter Horse Congress last year. Belle is a sensitive, respectful, and very sweet mare. In addition to having experience in the reining and ranch horse show world, Belle has also participated in trail rides, lead line, costume classes, and recreational riding. Ride her every day or once a month, this mare will ride right off. She will cross water, bridges, and logs without hesitation. She is confident in traffic or out riding alone. Whatever you choose to do, Belle's rich buckskin color, full tail, and flashy white strip are guaranteed to get you noticed! Please feel free to ask additional questions or arrange a time to come visit Princess Belle in Salesville, Ohio by contacting Nick Nelson at 740-255-0715.
