**Description**

**SHINE FORTHE SHERRIF**

Safe, honest, kid tested and approved, and America's favorite color, dappled BUCKSKIN! Sidekick will be your best buddy! This pretty 14.2 hand gelding is as handy as they come. Any job you need to do, he will be your number one partner! Sidekick has been shown in the stock horse and Ranch Versatility events by a youth kid. Together they won the year end circuit receiving the trophy saddle. Sidekick will work a cow nicely and gives his heart every time. He is fun to use in the sorting pens and out gathering cattle. He's very quiet in a herd, but gritty and quick footed if need be. Sidekick does all the reining maneuvers easily including spins, sliding stops and lead changes. He has nice, smooth gaits and transitions on a draped rein. Sidekick is great

outside of the arena too! He loves to leisurely stroll down the trails and is confident alone, will lead a group or is happy to trail behind. Nothing bothers this little soldier. He's great with blowing tarps, loud gunfire, noisy traffic, and heavy machinery. Crazy dogs, wildlife, donkeys, pigs, buffalo, and even camels don't phase him. Sidekick is as honest as a day is long and aims to be a pleaser. He's a super fun boy to have around the barn and easy to own. Catch him anywhere, jump on bareback and go enjoy anything you want to do horseback. Sidekick would make a great kids horse, first horse or anyone that needs a confidence builder. He's consistent and gentle every ride even with time off. Sidekick is sired by The Sheriff Dunit, sire of NRHA & AQHA money and point earners. He earned his NRHA Certificate Of Merit, AQHA Reining Register Of Merit, and was an AQHA High Point Senior Horse Top 10 finisher.
