Swenson is 10 years old, stands 15 hands, and will weigh 1200 pounds. Swenson started out his career earning his keep on the famous "Swenson Ranch". Gathering cows, dragging calves to the fire, and sorting pairs has been a part of Swenson's everyday life. Swenson is fancy broke. He will ride, slide and then walk off on a loose rein. Swenson is quick footed and always knows how to be in the right place at the right time. Not only is Swenson a very savvy ranch horse he is also a great rope horse! Heading or heeling, he will take you to the pay window. On the head side, he scores great, runs hard, has that fancy move that we all crave and then will finish fast. On the heel side he hunts the corner, squares up and will drag his butt! Swenson is a standout no matter what you need him for! Assorted Wildlife, running

water and various terrain will not ever bother him, he's seen it all! Swenson is an own son of Dual R Smokin who has a lifetime earnings of \$220,727.00. Swenson is out of Bobs Rocky Lady, who is an own daughter of Bob Acre Doc. Bob Acre Doc won \$381,000.00 and was a NCHA Open World Champion. Swenson is a full brother to Smokin N Rockin, who has won 167 AQHA points. Smoking N Rockin is a 2x AQHA world show finalist in the heading and heeling. Swenson comes from a long line of winners and he is no different. As always, we highly recommend that you come to our place and try him before the sale!
