**Description**

RJS RB CHAMP

RJS RB Champ (Midnight) is a COAL black 5-year-old, AQHA gelding. Midnight doesn't have one white hair on him! Midnight stands 15.1 hands, weighs 1250 lbs and his breeding goes back to Genuine Onyx. He has a pretty head, strong back and big, square hip. He is also extremely thick made with a beautiful, full mane and tail! Midnight has a nice handle on him, neck reins and moves of leg pressure well. He has a soft trot and collected lope. He trots and lopes with a nice, naturally level headset and can be ridden with a drape of rein! Midnight has been ridden on the trails a great deal by many different levels of riders. He will cross downed logs and water with ease! Midnight will ride out alone or in a group when out on the trails. He has the bone and strong, black hooves to hold up to rough terrain for years to come. He has been used for some ranch chores as well including pushing cattle and checking on broodmares. Midnight has also been used to pony colts and handled it very well. Midnight is 100% sound and healthy. No vices! He is safe for the whole family to ride and handle! This is

one handsome gelding and we are excited to find him his forever home. He has no issues getting bathed or loading in the trailer. He is that hard to find color- pure black! If you have any other questions about Midnight please give Jared a call at (563) 543-6355.
