Description

HAND OVER THE SWEETS

Hand Over The Sweets aka Blueberry is a 2013 Blue Roan AQHA mare. Standing at 15 hands, she is stout as she is tall, weighing 1200lbs. Blueberry comes from a long line of ranch horses as well as competitive horses including heading/heeling, calf roping, team penning, and steer wrestling. They are bred with a calm and gentle disposition, sound, big hip, amazing color, bone to last, and a lot of natural ability to get the job done! We bought her as a weanling and have loved every bit of watching her become a great horse. She has a gentle, quiet nature and wants to do what you ask of her. Blueberry isn't just pretty, she has been all over the mountains gathering, trailing cattle and camping. She is confident and sure footed on the trail and will go anywhere you point her, through streams, over logs, across bridges and into dense bush that

doesn't bother her at all. She is a patient horse and will tie quietly for hours. Blueberry is well broke, neck reins, side passes, opens gates and will lope pretty circles. She can pack a flag or drag a log easily. Nothing scares her, just point and go. Blueberry LOVES the water, ponds, lakes, rivers or a bath! She rides great in the front or behind and has ponied many colts. Blueberry rides western, ranch ropes and ropes the heel-o-matic. She also enjoys English riding and has been to the local schooling shows. Blueberry has been rode by kids and is very patient and forgiving. She is the same horse every time you take her out, will step out of the trailer anywhere and act like she has been there a thousand times. Blueberry has good hard feet and big bone. She does have one small scar on her right front foot that is cosmetic only. Please Call or Text 541-226-8994 for any more information or questions on Blueberry or to come take her for a test ride in beautiful Southern Oregon Sunriseperformancehorses.llc@gmail.com if email is preferred.
