Description

ZORRO

Zorro is a 7 year old Stunning Sorrel Gelding. He is 15 hands with a real solid build. Plenty of muscle and bone. Definitely an eye catcher with his pretty head, short back, great neck line, big hip and flaxen mane and tail. He is a great size to head and or heel on. He is trained in team roping and is capable of heading and heeling, although he is currently a better head horse. He is very cowy and also excels in sorting and penning. He has been ridden on trails which involve creeks and mountainous terrain. He has a zany personality and loves attention. He can be ridden by children as well as in advanced cow horse competitions. He has been trained to drag a roping dummy. He can pick up leads, spin, drag his heels in a stop and back up. He is tarp and flag proofed. His calm demeanor enables him to also be

used for training colts. At 7 years old he is extremely well trained in a variety of different disciplines. Feel free to contact me at (725)254-8772. Darren with Prostar Performance horses.
