Description

SCOUT

This is a one of a kind horse. Catch him with a brush and a hug! Loads and unloads like a champ. Has crossed rivers and desert. Great with farrier and eager to learn. Been roped off of, sorted cows and used in the mountains. Anyone from beginner to experienced can ride this gentleman. He gets along with everyone and everything. Don't miss out on this guy cause you won't find another one like him.
