Description

TRAVALIN BLUES

TRAVALIN BLUES aka Sister is a 14.2 hand bay mare with exceptional breeding, impeccable looks and conformation, a fun disposition, and enough fire to get any job done! She is very fun to be around, easy to catch, great with other horses, talented to take to town, but gentle and careful enough to pack a novice rider. She had been used extensively on the ranch and is a dream to ride to work everyday. She has also seen her share of city lights, been hauled to local weekend roping's, sorting, and ranch rodeos. She is a powerful little mare who will really watch a cow and put her rear end in the ground to stop. She has no quirks or vices and is 100% sound. For more information, contact Clayton @ (406)-720-0781.
