**BIG SKY'S SECRET**

Are you looking to go compete and WIN? Here's the horse to do it on!!

BIG SKY'S SECRET is a 2012 model bay mare by a PROVEN son of STORM CAT and out of daughter of DIGRESSION who is by SEATTLE SLEW. She stands 15.1 hands.

"Quinn" is the REAL DEAL! This mare is gritty, FAST, and can TURN a barrel. She is cruising solid 1D/ 2D times in TOUGH competition and has A LOT more to give. This mare could very easily be running PRO and qualifying for some BIG events. Not only is this TALENTED mare a killer barrel horse, but she

is also well-patterned on the poles. Quinn has a VERY in-your-pocket personality and would do anything for treats and attention. She is happy to follow at your heels as you do pasture work in case of the slight chance you might pet her. Like most high-caliber horses, Quinn is on the muscle at the gate (very controllable) and, because of this, is not for a beginner. This remarkable mare has NOT had her legs run off and is 100% sound and ready to take you to the TOP!

Quinn just keeps getting BETTER and BETTER! Her sire, SEA OF SECRETS (SI 121) who won over \$155k on the track and has \$1 Million in offspring earnings, is by the famous STORM CAT, who won over \$570k himself, has over \$127 Million in offspring earnings, and topped the stud fee list at \$500,000! Quinn's dam, BIG SKY QUEEN, who is a money earner on the track herself, is by DIGRESSION, who won over \$219k on the track, and is by the great SEATTLE SLEW, who won over \$1.2 Million, was the tenth winner of the American Triple Crown, and has over \$5.5 million in offspring earnings!

Located in Hamilton, MT. Transportation can be arranged.
