Description

DUNITLIKEAGOLDDIGGER

We are proud to introduce this versatile 9yo, 15H gelding. 1,200lbs of pure love! The words GENTLE, LOVEABLE, HANDSOME, TALENTED, and DISTINCTIVE are just the beginning when describing BOOMER. Not only does he love attention but he's got the look to go with it. Boomers buttermilk buckskin color along with a blue eye and long mane and tail, has heads turning wherever he goes! His sire, Pale Face Dunnit has a LTE of \$72,000 and is a producer of over \$2.5 Million. Boomer is a smooth mover and has that "it" factor style. He performs all gait transitions with ease; slides, spins, and does flying lead changes. This boy aims to please! From the coast, to the valley, to the mountains, Boomer can take you anywhere you want to go with the ability to do anything you want him to do. He's great footed, a true point; and go type ride, no

matter the terrain. Whether you take him to the arena for some reining spins, the ranch to gather cattle, or the wilderness to cross bogs, water, bridges, and logs on the hunt of a lifetime, this quiet, determined gelding will get the job done with ease. He is a true family man. From kids to grandparents, anyone is safe on this boys back no matter how green the cowboy or cowgirl is. Boomer will aid in building the confidence of a beginner level rider, or take an experienced rider in a competition of his or her choice! He is great around dogs, ATVs, farm machinery, and traffic. When it's time to get fancy, this boy will stand for the farrier, clip with ease, even his ears, worm, bathe, and stand tied with no fuss. Boomer has a scar on the inside of his left hind pastern that does not affect his soundness, he is 100% sound. To say our family loves this boy is an understatement and we know you will too. He has the look, disposition, and ability to take anyone in your family where they want to go. We are excited to offer Boomer as we believe he is the American dream of horses!
