**FROSTED IRONMAN**

Ironman (FROSTED IRONMAN) is a gorgeous, 6-year-old, AQHA papered gelding. He is a beautiful rich bay color with a lot of chrome- having a big blaze face and three white socks. He stands 15.2 hands and weighs nearly 1300 lbs. Ironman has SUN FROST (who has an established progeny record of over \$2,000,000) and SMART LIKE LENA on his papers. Iron man is handy broke. He neck reins and moves off your leg well. Ironman has a nice spin and is soft at all his gaits. Ironman has been ranched on extensively in Montana and was one of the day worker's main mounts. He has roped hundreds of cattle outside and has drug calves to the fire. He was also used a great deal in the feedyards. He is very cowy and is easily able to cut a steer out of a herd. Ironman is ready to be hauled in the heading and has been started in the heeling. He is

very athletic, stands well in the box and is solid in his handle. He is the kind Jared wants to keep and haul as a personal head horse. Ironman certainly wants to please and has a lot of try. Ironman is also great on the trails. He will cross down logs and steep terrain with ease. He has been ridden extensively outside. Ironman is very gentle to be around. He is easy to catch, load and shoe. Ironman is 100% sound. He has no vices. If you are looking for a ranch horse, head horse or something that has all the outside experience to make him a solid trail horse- Ironman is your guy! Don't miss out on this fantastic gelding! If you have anymore questions on Ironman please call Jared at 563-543-6355.
