ROCK THE CASH BAR

Everyone is looking for gentle, broke, and pretty....that's what Buster is! He is a unique colored buttermilk buckskin paint gelding with a big pretty mane and tail. He's a very desirable size, standing 14.3 and weighing 1150 lbs along with plenty of foot and bone

to last. Buster is the perfect age of 5 years old to last someone a long, long time! He has all the personality you could ask for, and truly loves people and getting attention along with grooming, bathing, clipping, and basically anything to do with hanging out with his human friends. Buster stands well for the farrier, and is just a pretty much hassle free kind of a horse. He's safe for all levels of riders, from beginners to experienced, or young to old. He has an excellent, trainable mind that does not get flustered or upset when new things are asked of him. He lopes beautiful circles in both leads with level self carriage, he's soft in his face, responsive off your legs, stops big, has a nice turnaround, side passes to open and close gates, and will allow you to put his body anywhere you would like it. Buster is traffic safe, and does not get upset by wildlife, farm equipment, dogs, or pretty much anything else you'd like to throw at him. He is excellent in new settings, and settles in well wherever he goes. It isn't an accident that he is so good minded, with some of the all time great performance horses in his pedigree, such as SMART CHIC OLENA, PEPPY SAN BADGER, DOC BAR, and many others! Please take the time to come meet him...you won't be disappointed! Call Shane with any questions at (940)765-7177.
