Description

TERMINAL GRAVITY

Take a look at this 2016 beautiful Dun AQHA gelding! Standing at 14.3 H and weighing 1100 lbs, Pluto as we call him, is a finished all-around horse. We have done a little bit of everything with this horse, from trail riding, to ranch riding, to reining and even riding lessons. Pluto has gone through our entire program and has passed with flying colors. He is ready to go into the show pen or ready to go for a Sunday afternoon ride around your ranch! A horse for the entire family! He will fit anyone from beginner to advanced riding skills. Pluto has been in the show pen and has done ranch riding and reining. He knows all the maneuvers and does them with excellence! From gait transitions, to spins, to sliding stops, side passing, and lead changes. He has a smooth effortless way of moving and is comfortable to ride all day. Pluto is good whether you

ride him once a week or five times a week. He is broke and will stay that way! We have taken him on all day trail rides in big groups, he stays quiet in group settings or is comfortable riding out all by himself. We have also used him to gather and push cattle as well as pasture roped on him. Pluto checks all the boxes! He is good out in the pasture with other horses, loads and trailers well, is good in new environments and stays calm, cool and collected. Stands to clip, bathe, and for the farrier. He is 100% sound with no vices or health issues. Have we mentioned his pedigree? Pluto is an own son of EINSTEIN REVOLUTION going back to great RED PINE on the top side and then goes back to GRAYS STARLIGHT on the bottom side. Don't miss out on this very unique individual! Feel free to call us with any further questions regarding Pluto @ 330-231-2311.
