Description

KDPH BLUE BOOMER

Meet Boomer! If safe, sound, big, and beautiful is on your checklist for a dream horse, Boomer is your guy. He is a 2018 gelding and he stands at a perfect size of 15.3 and weighs about 1450 lbs. Boomer's sire is a Percheron/Belgium, and his mom is a Quarter Horse. He has the best personality. He will meet you at the gate every time. He loves to lay his head on your chest and get attention and love. Boomer is the very essence of safe and sound. He has more whoa than go, but don't let that fool you. He will lope around beautifully on a loose rein, stop off of your seat, and turn around bridle-less. He has been kid-tested and mother-approved! Our boys have fully put Boomer through the safety test. They enjoy giving their mama a heart attack while using him as a jungle gym. They have even taken Boomer to the park to play! Watch his video; not only will

you be entertained, but you can genuinely see how gentle he is. He can lay down for easy mounting and dismounting. We have used Boomer for trail riding, packing, ranch work, and pleasure riding. He is the total package for someone looking for an easy keeper, an enjoyable ride, kind, personable, and gentle horse. Boomer is up to date on all his wormers and vaccinations. He will come with a completely clean bill of health and X-rays available to view. We live in beautiful Utah and would love for you to come to our place before the sale to ride Boomer and fully appreciate how fantastic he is! Please give us a call for more information on this one-of-a-kind gelding, 801-391-7940.
