Description

PR BLUE SILVER BULLET

Meet this cute Blue Roan AQHA gelding! Standing at 14.2 H tall and weighing in at 1050 lbs. We call him Bullet. Bullet is a horse we have had since a baby and we have done a little bit of everything with him. He is 5 years old and has seen more miles than most 5 year old horses have ever seen. Bullet is very spook free, safe, solid & sound! Bullet is very consistent whether it be in the arena or outside. He has had lots of trail miles. He easily crosses water, logs and mud. Excels in a group setting or riding out alone. We have done a lot of different obstacles and trail challenges with Bullet. He gets along great with other horses in the pasture and is easy to catch. Loads, clips, stands for the farrier, and is good to be bathed. Bullet is good in new places and in unfamiliar surroundings. Has been used on the ranch to push and gather cattle. Bullet

knows what a days work is. Along with all of Bullets outdoor experience he is also exceptionally trained in the arena. He neck reins, side passes, and has smooth gaits! Have you noticed his beautiful color, along with his confirmation and great foundation pedigree? Bullet goes back to LEO HANCOCK HAYES on the top side and SILVER SIX FINGERS, STEEL BLUE HANCOCK on the bottom! Feel free to reach out with any further questions regarding Bullet @ 330-231-2311.
