RED APACHE KID

When you take one look and one ride on this gorgeous 7-year-old gelding we call Jasper, you are sure to fall in love. He is a true gentleman in every way imaginable. He measures in at 15.1 hands tall and dressed in a beautiful strawberry roan color that will just melt your heart. He is as steady and as safe as a horse can be. He loves to please and he will stand by your side no matter what you throw at him. He has been exposed to everything on the ranch including tractors, cattle, dogs, tarps, and ropes. He does

not let anything phase him at all. He has been on several trail rides all over the place and will walk right off the trailer the same as he will when you ride him at home. Jasper will ride off alone without causing a fuss or will go with a group and is happy to lead, follow or hang out in the middle. It does not matter to him. He can be ridden English or Western and is great to ride bareback and bridleless too with his solid back and withers. Jasper is a true sweetheart with his loving and calming personality. He loves attention and is easy to catch. He has been roped off of and ridden threw herds of cows and horses and been ponied off of and never gets excited at all. If you are looking for that confidence builder, he would love to have the job! He will go steady and safely down any trail, through water, over bridges, and is quiet in traffic. Jasper stands great to mount and dismount. He is a safe horse for any level rider and even though he is great with beginner riders, he is a lot of fun for the more experienced riders as well. On top of all this Jasper is by MI PEPTOSPOONFUL who is by none other than the great, HES A PEPTOSPOONFUL, earner of 72,850.89 and has sired 8.3 million in earners. Jasper is the complete package. If you have any questions, please don't hesitate to call Darla at 717-917-4669.
