Description

WIMPYS LITTLEHOTSTAR

Wimpys Littlehotstar is one cool gelding, standing at 15 Hands tall and weighing about 1250lbs. His barn name is Royce because he is as fancy as a Rolls Royce. He is the most beautiful Dun color with stripes everywhere. Royce is a finished Reiner and is fascinating to watch. He is a fantastic lead changer with an excellent deep stop and a beautiful turnaround. He is easy to maneuver and would make a tremendous non-pro horse. Not only will Royce excel in the show pen, but he is also cowy and loves to rope. We are roping both heads and heels on him. Royce has the best mind! This year was his first time in the branding pen, and we were so impressed with his composure in handling the chaos and noise of the loud cows, calves, and branding smoke. With his long mane and impeccable confirmation, he gets noticed everywhere we go. He meets

you at the gate every day and is very loving. Royce is great in the mountains and on the trails; we have packed on him and ponied pack horses with him. We have used him at the auction barn, penning back and sorting several different kinds of animals; he handles the chaos well. We think Royce is truly one in a million, and his pedigree is second to none. His sire, Wimpys Little Step, who has lifetime earnings of \$185,757, was a open Futurity champion and also a congress champion; he also holds the largest composite score in NRHA history. Wimpys Little Step has parental earnings of over \$12 million. His dam is a daughter of the great Hollywood Dun It, who won the NRHA open derby and also the NRHA open super stakes championship. He has lifetime earnings of \$65,808 with parental earnings of \$7.5 million. Royce is exceptional, and we know you will love him too. He comes with a complete pre-purchase exam and X-rays. We are located in beautiful Utah and would love for you to come to our place and see for yourself what makes Royce so unique.
