Description

HAYTHORN PIX

Let us introduce, Mesquite, one of the fanciest geldings we've ever offered to the public. This extravagant boy is breath taking. Mesquite was bred and raised on the Haythorn Ranch Co. 2009 AQHA BEST REMUDA AWARD WINNER. Mesquite carries their brands with pride. Mesquite has seen and done every daily job on a working ranch possible. He's been used in the rocks of New Mexico, all the way to the hills of Nebraska. He is a ranch favorite. It's no surprise why he has the ability, cow sense, and handle he does. Being an own son of 6666's SIXES PICK: AQHA World Champion Versatility Ranch Horse AND RGP Top 5 All-Time Leading Sire of Ranch Horse Money-

Earners, Mesquite was bred with purpose. HAYTHORN 812 was bred and raised by Howard Haythorn. In order to make it into this legendary broodmare band, one has to show exceptional qualities under saddle, as well as disposition, to stay in. Mesquite has been used on some of the largest ranches in the United States. Not only is he exceptional to go to work on, but he's amazing to just enjoy as a leisure horse also. Mesquite carries himself with complete grace. He will short lope out of his tracks, has smooth transitions through his gates, and rides very level headed. He is very cowy and a blast to work cattle on. He's had tons of calf's drug to the fire off of him. He is very strong to the horn and stays quiet in the herd. Mesquite has been used to gather big pastures where you may not see another rider for hours. He is RANCHING HERITAGE ELIGIBLE for all of their events. He is always willing to do whatever job you put in front of him. Mesquite stays honest and gentle all the time. He's a gentleman to haul, tie, saddle, bridle, groom, shoe, and he gets along well with other horses. We've rode him through the Canadian River north of Amarillo. He's very sure footed up and down the steep canyons and is safe through any terrain. Mesquite stands a full 15 hands tall and will rattle the scales at 1250 lbs. He's got that old school shape everybody hunts for. You'll have to let your cinches out and take your bridle up on this one. He's picture perfect and even better in person. If you'd like to schedule an appointment to come try him before the sale please call Taylor at 806-654-5490. Feel free to call us anytime with all other questions and inquires.
