Description

PEPPYS YELLOW GUN

When it comes to a true ranch horse, Pepper is your guy! A seven-year-old attractive grey gelding that is built like a tank. Standing at 14.2 hands and weighing 1,100 pounds. As if his charming looks aren't enough, check out his appealing pedigree to go with him. A grandson to AQHA super horse, REAL GUN, with 473 points in 10 different events. Among REAL GUN is other iconic names such as PLAYGUN, sire to over \$9.7

million in money earners. Also, Hall of Famer, PEPPY SAN BADGER, whose offspring have won more than \$25 million. Besides his impressive pedigree, Pepper has experience in multiple disciplines of his own. With jackpot experience on the head side and heel side. Also having a good start in the breakaway pen. If you haven't fallen in love yet, Pepper has also been ranched on in the harsh environment and humidity of Florida. Anything from riding out dry cattle to roping the rankest brahman bull in the cypress head. Even crossing alligator-infested canals, you name it he's probably done it. This beautiful gelding is a cowboy's dream. Don't be afraid to take a vacation to sunny Florida and come ride this exquisite equine companion or we hope to see you in Fort Worth. If you have any questions just call or text Dillon Bird 352-441-0354.
