Description

PEPTOS PLAYIN EASY

PEPTOS PLAYIN EASY is a 14.3 hand gelding and weighs about 1100 lbs. He is sorrel with all the chrome in the world with his white face and legs. Easy as you can see is bred very well as his sire is an earner of \$28,000 NCHA and also point earner in AQHA and of course his grand sire is the great PEPTOBOONSMAL who was a 26 million \$ sire. His dam comes from a long line of money earners also and has earned money in the NRHA herself. Not only does Easy have the looks and the breeding he has the disposition and attitude to back it up! Easy was started as a 2 yr old in a reigning program and has since been used on the ranch and the feedlot. Easy is good in any terrain and knows what a days work is. He has done every job on the ranch he will watch a cow and has had a lot of cattle roped and doctored on him and he is started in the arena. Easy got his name because that's just what he is, easy. He stays gentle with

time off, ground ties, loads, hauls perfect, and is a gentleman for the farrier. He checks all the boxes! Come check him out for yourself or call Matt @ (580)471-5914.
