FACE A SMOOTH CAT

Banjo is a very unique package! At 15.2 hands and weighing 1250 lbs, you wouldn't expect him to be sired by a son of the great SMOOTH AS A CAT, who had LTE of over \$500,000 and was the NCHA Horse of the Year. His dam is a double bred COLONEL FRECKLES mare, who was an NCHA Futurity Champion himself. Banjo is a prime aged 6 years old that has seen a lot of different country. We have used him in all aspects of ranch work, as well as being hauled on numerous overnight trail rides. He has been well started heading and heeling both, and is talented enough to work on either end. The cool part about Banjo though, is how gentle and safe he is for all riders. He's the same horse with time off, and does not require consistent riding to stay gentle. Banjo is good for the farrier, loads and hauls good, and is a gentleman with other horses. This is a super pretty gelding with the mind everyone is looking for. Call Shane with any questions at (940)765-7177.
