**Description**

**SHOWTIMES NITRO**

(Showtimes Nitro) Nitro is a beautiful one of a kind gelding! We have owned this horse since he was a yearling. You can head steers on him, pull the wagon or go ranch on him. He has been used to drag calves and in all aspects of ranch work! He is sure to stand out with his blue roan color! We stand behind this horse in every way! He is honest and has never bucked a day in his life. Stall him up, feed him all you want and ride him off! He is amazing to ride outside and through the trails. Nitro is easy to shoe and you can catch him anywhere! Turn him out with other horses and he gets along great. Nitro's sire (Watch Id Roan Bar) is by a son of the great (Two Id Bartender) reference sire of the historic Pitzer Ranch! We have nothing but good things to say about this wonderful gelding. He has been a go to for us here at the ranch and will be an asset for anyone!

Nitro is located in Okemah, Oklahoma and we welcome anyone who would like to come see him. He stands 15.2 and weighs 1,250 pounds. For any information please contact Andrew Stubbs (918) 319-8646.
