Description

CEE KAY GOLDEN DIAM

Check this guy out! Here is a safe, solid, tried and true, Palomino Gelding! Meet Dime, a 2014 AQHA gelding standing at 15 H and weighing 1150 lbs. Dime is a very safe family type of horse that will fit anyone. He is very well trained, extremely quiet and safe. He is the kind of horse you pull out once a week, throw your saddle on, hop on, and go for a fun ride around your ranch! You don't have to worry about lunging him or worry about him getting fresh, bucking, or being goofy. He's seasoned and trained and will stay that way. Dime is safe for any level of rider. He is smooth and easy to ride, neck reins and side passes with ease. He is always willing and a pleasure to be around. He has been used on the ranch and knows what a days work is. From opening and closing gates to crossing creeks and mud to pushing cattle and doctoring cattle to checking

fence and being a fun horse to ride all day long. Dime has been there - done that when it comes to working a job on the ranch or just riding around on the trails with your friends! Dime is good to load in the trailer, is safe in new places and comfortable in unfamiliar environments. He gets along good with other horses as well. He is good to shoe, clip, bathe, etc. Along with his working experience, he is a fun horse to rope off of in the team roping. He's very well stered for a good jackpot rodeo kind of guy. Dime is foundation bred with BARON LEFT and MR BARON RED on the top and CEE KAY DIAMON EYE and TWO EYED RED BUCK on the bottom side . If your looking for a beautiful palomino gelding that is a solid, safe, and that all around kind of horse - Check out Dime! Call us with any further questions @ 330-231-2311.
