Do Four Socks

Madonna is a beautiful, dapple gray with all the chrome you want and is an own daughter of Cat Man Do. This lady is a finished reiner that is ready to go show and take you to the pay window. Madonna is one of a kind and you would never know she is a mare. Standing 15H and 1200 pounds she is ready to go to work. She has a smooth lope, gentle lead changes, and a killer slide stop. She is most definitely a barn favorite, her personality and kindness makes everyone love her even more. Madonna has been used extensively over the last few months day working on the ranch. From doctoring yearlings and checking fences to exotic doctoring, she has done it all. She has so much heart and will go all day long with her head low and calm. If you want one that is broke the best and has all the athletic ability to do whatever you would like look no further.

This is a very family, user friendly type horse who will stay gentle all year round with time off. Take her to the show pen, barrel pen or roping pen. She will succeed in it all and look amazing doing it. For more information contact Brett or Haylee Clark @ 214-500-1182.
