Description

Colorado

Colorado is a horse that turns heads wherever he goes and is sure to be noticed! He is 8 years old, 16 hands tall, weighs 1650, and wears a number 5 shoe. His unique Leopard Appaloosa color is not often seen on a draft cross like him. Don't let his size fool you though, he rides smooth as silk. He hits the ground very softly and smoothly at all three gaits. Colorado has been used in a variety of areas. He's spent summers on a dude ranch doing guided trail rides and kids camps. He's very patient and quiet with kids while they are brushing and grooming him. In the fall, he's gathered and sorted

cattle. He's also been used for outfitting on pack and hunting trips leading a pack string. He's comfortable on overnight trips being tied to the highline overnight. During the winter, he helps with breaking colts by ponying them. Colorado is excellent riding out on the trails and in the fields alone. He will leave the group if asked and he remains quiet. He has very consistent gaits. If you put him at a certain pace, he will continue that way until you ask for something else. Colorado stands quietly for grooming, bathing, and tacking up. He loads well and rides quietly in the trailer alone or with others. He also has very nice ground manners. Colorado is one not to be missed! For more information, call Jonathon Waugh at 606.748.9721
