Coupe is the total package! He is sired by the \$5 million sire Sweet Little Pepto and out of the great mare Purely Bob, who has earned \$49,384 herself and has produced \$296,514 in money earners. Aside from his black type pedigree Coupe's class comes from his stellar personality, training, and beautiful looks. His personality is extremely kind and inquisitive, he is in your back pocket at all times. Coupe's training is also one you will appreciate. He is a finished ranch horse, that has a strong cutting background. Coupe's a been there done that kind of gentleman in the ranching world. He has been hauled to many branding's to drag calves, he's cowy and great to sort and ship on, he's

had many doctored on him outside as well, plus he has those awesome ranch horse manners we all love! This is a well trained individual in and out of the arena! We have also roped on Coupe on both ends and he shows an endless amount of promise! He is quiet in the box, he scores great, has plenty of run as well as rate. He has a pretty move and a snappy face on the head side, and a great big stop on the heel side. Coupe is broke enough he would be a candidate for the ranch riding or the ranch versatility class and he is sure flashy enough to catch the judges eye anywhere you go. He has a big, fun stop, fluent spins both directions and lopes around so soft and slow on a loose rein. Coupe can perform a simple lead change with ease and has been hauled and seasoned enough that he's not going to look at or spook from anything at a new place. This versatile gelding crosses water and other obstacles confidently and he stays very gentle and quiet no matter what you ask him to do. He is also a go-to horse when we need one to pack any novice rider around. His kind an honest nature make him perfect for absolutely any level of rider to get along with. We just can't say enough good about him! Coupe is one of those rare horses you can leave off for any amount of time and when you get back on him he will be the same horse he was the last time you rode him. This is a user-friendly gelding that possesses an enormous amount of talent, has the perfect mind, and has made the best all around horse we could ask for. He is absolutely been one of our all-time favorite horses! Give us a call with any questions 806-282-7093.
