Description

Aflac

If you have ever wanted to stand out, or turn heads in a crowd then stop and take notice at this rare find! His name is Aflac, because he's the best insurance policy you can buy! Safe, solid, finished, tried and true ranch horse is what this big fella is all about! He has been used on a cow calf operation in the Texas Panhandle, he's been used in a feed yard in Happy TX, as well as the cow sale. He has plenty of cow sense, and if you need it he can really run for a big horse! Aflac has been rode a ton in the mountains and used to pack salt on. He has also been hauled to brandings, he's great to drag calves on, great to sort and ship on, and absolutely solid for anyone to ride, young or old! This gentle giant is extremely smooth, he truly hits the ground light and rides like a little horse. Aflac has cool turnarounds both ways, lots of draw on a cow, a big fun stop, he will move off your leg both ways, and he will stay soft and collected. He takes both leads easily and can maneuver any obstacle course or cross water like the professional he is. Aflac has a mouth like butter, you can literally ride him with two

hairs out of his tail! He's just that broke! Aflac has a phenomenal ranch horse handle and the manners to match! Even the smallest of kids can handle him on the ground. He is extremely respectful and he never gets pushy or rude! You will absolutely love everything about this perfect gentleman. We have trusted Aflac to pack numerous novice riders through the Palo Duro Canyon, he is sure footed and nothing bothers him. I believe he will do any job you ask him to do and any level of rider will be able to do it on him and appreciate how unique and kind hearted Aflac truly is! If you have any questions please don't hesitate to give us a call @ 806-282-7093!
