Description

Dillon

Dillon has it all beauty, brains, breeding and ability! A flashy 15H, good boned, 7 yr old, Gypsy-Friesian cross. Dillon loves people, is always easy to catch, he stands beautifully to groom, enjoys bath time and is good handling his feet. No matter how much you do with him he still meets you at the gate. He stands great to saddle, drops his head to bridle, easily moves to a mounting block and waits for your cue to walk off. He's been hauled a lot, jumps right in the trailer and travels well. Dillon is experienced in the roughest trails you can find. He willingly crosses water, bridges, picks his way through downed trees, and doesn't hesitate to go where you point him. He's been ridden with dogs, and experienced lots of wildlife in the mountains. He's good with all kinds of machinery, 4 wheelers and traffic. He is confident riding out by himself, and is the same leading or following in a group. Dillon is smooth riding and a beautiful mover. He is light and responsive to the bridle and leg cues. He has a nice trot and when

extending the trot he absolutely floats across the ground. He steps right up to an excellent collected lope. He neckreins, stops, backs and side passes effortlessly. He is great with tarps, flags, balloons, gunfire, bouncy balls, he's seen it all. Dillon has a fun loving personality but remains very respectful on the ground, and in the saddle. He has had lots of liberty training and will play games and do fun tricks. We've had Dillon over 3 years, there's never a day he isn't willing or confident to try anything we ask of him. Don't miss out on this one of a kind willing, truly awesome gelding. For more information please contact Bryan @406-839-4224.
