Description

Jacks Star hombre

Let's talk about JACKS STAR HOMBRE aka Denali! This is the coolest horse I have ever had! We have owned Denali since he was a weanling and have done it all with him. He has got it all-breeding, conformation, color, ability, mind, and so much more. I can't say enough good things about him. He is safe enough for a beginner to learn on and broke enough for an advanced rider to have a blast on. Denali is broke and will stay that way. It doesn't matter if he's used once a week or once a month. He is ready to go pull checks in the show pen, ranch classes, or versatility classes. He's been roped on and done a days work on the ranch. He loves cattle! We have also had him in the mountains of Colorado trail riding. Denali will go wherever you point him and has a heart of gold. He will try his heart out for you in whatever discipline you are doing with him. Just for fun, Denali lays down and sits up like a dog and will follow you wherever you go. He will meet you at the gate and make u smile everyday! He's good to shoe, load, clip, bathe, trailer, tie, etc. He's good in traffic and around town. Be prepared, you will be noticed everywhere you go with him! Denali is HPI eligible. If you're looking for your next once in a lifetime horse, Denali is the one! We stand behind him and guarantee him in every way, shape, and form. He is 100% sound and healthy. Up-to-date on everything with no vices. We all love Denali and we are confident that you will too! Be sure to check him out! They just don't make them like him everyday! For more information call Kevin @ 330-231-2311.
