**Location** OH

**Description**

Sunset Mighty Mouse

Now here is one awesome, fun, safe for anyone to ride, incredible colored horse that we are excited to offer you. Mack, as we call him, is the Mack daddy of horses for sure. He is a registered AQHA 9 year old, 14.2 hand buttermilk solid boned buckskin gelding. His eye catching confirmation and easy to ride gaits have made him an absolute favorite in our barn. He is a horse that you can let sit for weeks and get out and he will be that same horse each and every time. He is a great trail horse with a wonderful ground covering walk that will take you anywhere that you want to go. He is not spooky and settles in with ease no matter where we take him. He has been on miles and miles of trails, overnight trips and takes it all in without ever causing an issue. Mack was also used as a ranch horse where he spent his days dragging calves to the

fire, working the herd and checking fence lines so he is not afraid of a good day of work. We love how comfortable, smooth, and easy his gaits are. He makes you want to go out to the barn and ride every day. He has incredible ground manners and thrives on all the attention that you can give him. With his great size, and laid back personality, he will suit any rider of any level and any age too. If you would like more information on Mack, please call Duane Yoder of Buckeye Acre Farm 330-231-2324.
