### **Description**

MESSIN A ROAN

Concho is a gentle, gentle, and a safe 5 year old gelding! He is the coolest colored red roan that we own. Concho is a laid back easy going horse. He's always there to please no matter what the task is at hand. We have literally done everything there is to do on him. Concho has been cut on, ranced on, roped on, and severed as the kid horse. He is so much fun! When riding Concho outside, he is great. He rides on a loose rein and will go anywhere you point him. He will cross all terrain with no issues. He is really good to drag calves to the branding fire or to sort cows from calves on. Literally anyone could ride Concho. Concho is also a head and heel horse that would fit all levels. He's quite minded and has the ability to take you to the pay window either heading or heeling. On the head side is good as good in the box, rates nicely and has a good move. On the

heel side he hunts the corner, squares up and will drag his butt. Concho is well bred and has all of the ability to do anything you may ask of him. Concho is an own son of Peptoboonsmart, who has won \$7,800 in the NCHA. Peptoboonsmart is a son of Peptoboonsmal, who needs no introduction. Concho has his whole life ahead of him! We are proud to offer such of a nice horse that we have owned for two years. As always, we highly recommend that you come to our place and try him before the sale! Pre-purchase vet checks are always welcomed and encouraged. Call anytime with questions 940-268-6850.
