Streak is a flashy registered 6 y/o TWH we've had since he was 2. We've used him to guide hunts the last couple years and he's been a go to no matter the situation. Pickets by a front foot, hobbles, or stick him in your electric fence and he'll be there. One you can walk to in the pasture and catch to do any job. Ride bareback with just a halter,. We've put all levels of riders on him. Will fit in the pack string anywhere or lead it. Packed elk, lion, wolves, hounds, horns and much more. Rides out alone, incredibly smooth gait. Rope and drug calves, and seems to like it. Seen lots of wildlife and even chased grizzlies with a cool head. Moves through down timber with ease and is sure footed. Been used extensively in the mountains, but has made a few trips to town. He's outrode in the Cody parade without bother. Lopes circles, side passes and has a nice neck rein. Streak has a nice fast walk and really nice gait or you can slow him up and lead a string of dude horses. Jumps in the back of the truck, no need for a trailer. If your looking for a flashy gelding that's seen real mountains and done real work or one that you can take to the parade and get noticed please consider Streak. Please watch our video it shows most of what's described
