Bunny is a sweet 7 y/o Kentucky Mountain Horse. Bunny is an awesome, quiet trail horse! She crosses anything in her path and is smart about going up and down rough terrain. You can swing a rope on her pull logs or barrels. Bunny will pony or be ponied by other horses. She has been behind cattle and on long trail rides. She is a blast to use for working or just

pleasure riding. She rides double and we have had our fair share of fun on her swimming and enjoying hot days in the creeks. Bunny is up to date on worming, shots and teeth!
