Waylon is a 10-year-old, 15.2 hand black John mule. We purchased Waylon and his partner Willie a little over a year ago from his original owner who was an elderly gentleman that had owned him his entire life. Since then, he has packed everything from kids to tents. He has an awesome ear flopping, head shaking, smooth running walk. He has a smooth lope and is flawless on the trail. Waylon is easy to catch, outstanding to clip, and a dream to shoe. Waylon is beginner safe but more than willing to be all that an experienced rider may desire. He will drag anything you can hook to the saddle horn. He has a great neck rein, traffic safe, and great with pack saddles. That's not all, Waylon knows tricks, too. He lays down on command, sits like a

dog, and side passes to a mounting block for easy mounting. Waylon is a big head shaking, ground covering, SAFE, SAFE, SAFE mule!
