Heist is a PRETTY, shapey, 6-year-old, 15.2 hand buckskin gelding that we raised here at W2 horses. He is super stout with great conformation! Heist has been used extensively as trail horse and bird hunting horse. Heist has an outstanding gait and lots of heart. He will side pass, neck rein, lopes both leads, open gates, and rope steers. He is good with guns, bullwhips, wagons, and mules. He will side pass up to the mounting block with the snap of your fingers for easy mounting. He is easy to catch, loads and unload in the trailer, and stands tied quietly. He is very safe with all types of traffic. Heist is a stand up honest, eye-catching, buckskin gelding.
