**Description**

**TUCKER**

America's favorite color, buckskin, meet Mr. Tucker! He's 100% the type of mule everyone is looking for. He has conformation that is comparable to none. We've owned Tucker for almost two years and are super proud to offer him for sale. He's ready for his forever home and will make someone or some family happy on a daily basis. Tucker is in his prime at 11 years old. He stands not too tall or too small at 15.2 1/2 hands. He's gorgeous, super friendly, loves people, and is extremely easy going. Tucker loves people and is happy doing whatever it is you may ask of him. We've used him mostly in the mountains hunting and trail riding. He rides in the front and can really travel out or ride him in the middle and sometimes the back if you'd like. He honestly doesn't care. He crosses deadfall, climbs steep mountains, and crosses rivers. If it's on the trail or in the mountains, he's seen it and done it. Saddle him every day or once a year and he'll be the same honest and gentle mule. Tucker has a great resume, and

it even includes packing. He'll pack boxes, softs, and even meat. Tie him in the front, middle, or back of the string. He's not picky at all. He's a great all-around mountain and trail mule. He's been in stalls by himself and in the pasture. He gets along great with other horses and mules. Tucker shoes, clips, loads and is UTD on worming and shots. He's one for the entire family, husband mule, grandma mule, or he can be your main mount on the trails all fall. Selling guaranteed sound and with a vet exam. He's located by Cody, Wyoming. We'd love for you to come meet him and see his specialties for yourself. Call Colby @ 307-272-5367 anytime with more questions.
