**Description**

JX AWESOME MALICE

If you're looking for your next futurity, here he is! He's the fancy type that's hard to find!

2021 bay roan colt by Metallic Malice and out of Awesome Surfer Gal, a daughter of Breeders Cup Classic winner Awesome Again (LTE \$4.3mil, PE \$98mil) and granddaughter of #2 all time sire Tapit (PE \$170mil)

Talk about a looker and potential! This colt has it all...confirmation, color, and is going to be one heck of an athlete. Bred to run or work cattle this one will be quick and gritty! This colt has a very sweet personality, all while being incredibly smart and willing. Whenever he's not sure about something, he's the curious and confident type

to go and check out whatever it is instead of tensing up and trying to get away from it. For example, we use a skidloader to clean out stalls, he had never been close to one running before and when it was right next to his pen, despite the noise and commotion going on, he went right up to it, put his head over the gate and checked it out. He is halter broke and easy to catch. Has no problem being groomed, rubbed on, or sprayed with fly spray. He loads and unloads the trailer with ease. Ruger will for sure mature to 15hh.

This colt is paid into or eligible for the following incentives plus more:

- Pink buckle
- Ruby buckle
- Riata buckle
- Royal crown
- Breeders challenge
- Colorado classic
- NRCHA events

His sire is enrolled in the following futurity programs:

- Pink Buckle
- Ruby Buckle
- Future Fortunes
- Breeders Challenge
- Colorado Classic
- Triple Crown
- Royal Crown
- NRCHA Stallion Stakes

This colt can still be paid into future fortunes before December if one would like him to! If you're looking for you're next futurity superstar or stud prospect that could go in any direction, after reading that list, this colt is a goldmine! Get him while you can!
