Description

HENRY

The phrase "our loss is your gain" has never been more true with this horse. Henry is a 6 year old quarter pony gelding that is 100% sound. He stands 14hh and is the friendliest horse you'll meet. If you've got kids that need a great babysitter, he's the one to grab. You don't find more broke and gentle than this one. When they get older this horse has the ability to be their rodeo horse or be that reliable horse to get to work on for kids or adults. He has done and seen everything across the board. Henry has been used to check and doctor cattle on cornstalks, team rope, sale barn work, ranch and feedlot work, every kind of chore you can think of, he is one that you can trust to take a joke around kids, the list goes on. Despite his size, this horse has the heart and try of a Clydesdale. He doesn't think twice about holding up a cow twice his

size to doctor. Henry stops, backs, neck reins, moves off leg pressure, side passes, soft in the face, and has no buddy sour issues. Henry is constantly around dogs running around and loud farm machinery, doesn't bother him a bit. This horse is as bomb proof as you'll find.

Henry is one to run up out of the pasture to meet you at the gate, or he'll follow you up to your trailer without a halter and load himself up. If you're looking for a reliable ride for a family horse, a ranch horse, or a horse to do really anything on, as you can see in his video, Henry will not disappoint.
