**Description**

SALLY

Easy easy prospect! Sally is the cutest, most gentle filly I've owned. She has about 10 rides on her now but she wouldn't buck if you put a fire cracker under her rear end. She's been used on the trails and in the sale barn penning back cattle. She doesn't have a lot of whoa yet, but she is really soft. She'll be a big stopper in another 15 rides or so. She will kind of work a gate in sale barns and is decently cowy. Sally stands 13.3hh and I don't think she will ever get real big, thinking 14hh when she's grown up. She has a fantastic mind, very quiet and will definitely be one you can put your kids on in the future. She walks, trots, lopes, backs, moves well off leg pressure. Just needs someone to put some more time on her. Call 712-451-9755 with any questions.
