Wilbur came into our family in 2014 and soon became my hunting and trail riding favorite. He has taken me to the tallest mountains in the worst weather that Wyoming Decembers can through at us and has never let me down and always got me home. Whether he is leading or following or packing he is unstoppable. His gate is smooth and comfortable over all kinds of terrain. He has a "can-do" attitude under any circumstances. Trims, shoes, loads, stands tide, hobbles, leads politely, has never bucked, kicked, or bitten.
