**Description**

RL DROP THE MC

If you like FANCY horses, Hawkeye is always a standout in any crowd. His coat gleams like copper, and he is a beautiful mover loaded with talent. Horses like Hawkeye come around once in a lifetime, his big kind eye and fun-loving personality will make you fall in love when you meet him. Hawkeye is exceptional both in looks and athletic ability. He has excelled as a rope horse from the beginning, quickly becoming a money earner. It does not matter if you prefer to head or heel, ranch or trail ride, Hawkeye makes it fun! Incredibly user friendly to ride, Hawkeye scores quietly, can mortally fly to a steer and has quick snappy face that shuts off the clock. Built to run and stop, his athletic ability shows with a big stop when heeling steers. Hawkeye rides around soft in the face with a beautiful headset and willingly moves off your leg. He has got a smooth pretty trot, an easy rocking chair lope, and a big ground covering walk. Hawkeye knows

how to work for a living, he's been used to take care of wheat pasture cattle and doctor yearlings. He is experienced with all the outside ranch chores, so everyone enjoys riding him. Broke the absolute best, Hawkeye is ready for whatever the day brings – go show him in the ranch horse classes, use him to sort, rope, or ranch – you will enjoy the day! Built to last for a lifetime with big bone, Hawkeye stands 15.1 hands and weighs 1300lbs. Hawkeye is sired by the great Catty Hawk, who won \$240,282 at NCHA events and whose offspring have already won over 2 million! His dam is an own daughter of Smart Aristocrat who was a long-time leading sire in the NCHA by Smart Little Lena. Hawkeye even has Dual Rey's dam, Nurse Rey on his papers. Easy to be around, Hawkeye is a gentleman to shoe, bathe, and haul. He enjoys attention (especially scratches and cookies), and he gets along well with other horses turned out. He does not get fresh if you lay him off a while, you can step on and ride right off. We have really enjoyed the opportunity to own this exceptionally talented gelding, call Estevan at 505-450-5519 to visit about him or come meet Hawkeye. If you are looking for the best horse in the arena here is your chance!
