Description

THIS SPOONS TRIPPY

Have you been looking for a horse that has it all? Looks, ability, style and class, Silver Spoon has all of the qualities that anyone would desire. He is absolutely drop dead gorgeous! Silver Spoon has a long dark mane and tail. We have never seen a horse colored like he is. Silver Spoon is as fancy broke as you could as for. He will ride, slide and take care of you while he is at it. Silver Spoon has also made a really cool head horse. He scores quietly, runs, rates and finishes fast. He is also highly capable of being shown in the reined cowhorse or any ranch horse competition that you would enjoy going too. He will watch a cow and you can put your hand down on him. Silver Spoon is so much fun to sort cattle on. He has an enormous amount of athletic ability. We have let all riders on Silver Spoon and everyone gets along with him. We even let our nephew who is 9 years old ride him to gather big pastures during branding and weaning seasons. They made an outstanding team and was great help all day long.

Silver Spoon stands 15.1 hands and will weigh 1,250 pounds. Silver Spoon's sire is Shooting From Memory. Shooting from Memory is a stallion with royal bloodlines being an own son of Playgun out of NCHA Futurity winner Some Kinda Memories. Some Kinda Memories produced over \$520,000 in the NCHA. Silver Spoons dam, Miss Trippers Song was raised by the Pitzer Ranch. The Pitzer Ranch has produced multiple event AQHA champion horses throughout the years. As always, we highly recommend that you come to our place and try him before the sale! Pre-purchase vet checks are always welcomed and encouraged. Call anytime with questions. 940-268-6850
