Description

BURNETTS LYLA

Registered POA Mare, Burnetts Lyla, affectionately known as Popcorn. This cool little gal is so much fun! Built solid and shaped like a champion QH, Popcorn is everything you'd want in a pony. She has enjoyed her job of packing around our 6 year old daughter and 11 year old son. They've trail ridden, worked cattle at the sale barn, swam rivers, crossed logs, bridges, you name it, she is very brave and never hesitates, she'll just tackle anything you point her at. Popcorn has been hauled and exposed to just about everything under the sun and is ready to go on for her next family to enjoy. She would do wonderful with jr speed events, rope events, show jumper/all around show, ranch life, trail riding, English pleasure, gymkhana, hunt seat equitation, the sky's the limit with all the directions this fabulous little gal could go! Our family has really enjoyed her and yours will too! If you have any questions, or would like to set up a meet and greet, you may do so by contacting Jason Griffin with JG Performance Horses at 573-225-7144
