Description

QUEENS ADMIRABLE MISCHIEF

Right here is what dreams are made of.... Queens Admirable Mischief, also known as Porsche, is a beautiful, one of a kind registered 2017 Gypsy Horse Gelding. He stands a solid 15 hands tall and has abundant feathers, a beautiful mane and an awesome tail. Porsche is every bit a fairy tale horse as you can find. He has a very unique color of a roaning black coat with four white socks and perfect white blaze down his face. He has the easy going, fun loving personality of a gypsy horse to go with it all. He has three awesome gaits and is easy to ride for anyone of any level. He looks amazing under English tack and can also go western and bareback and bridleless as well. He has a nice slow jog but can extend out beautifully in a trot that makes everyone turn and look. He came into our program with ease and took to all the tricks as if he had done it his whole life. He loves attention and just loves to please as well. He not only rides amazing, but he also drives just as well. He will fit into any program and love being your new best friend. He is a full blooded registered Gypsy that has lines going back to all European stock. He has the true look to him and one that you will be proud to own.

His sire is 4C Midnight Blue Jack and he is out of All the Queens Silver Princess. He has been on lots of trails and will go wherever you ask him to go. He goes out alone and rides well in a group. He has seen lots of different animals on the trail and does not get spooked when he sees something new. He is wearing shoes all around because of where we ride and does well for the farrier. If he is the horse that you have been looking for, please give Duane Yoder of Buckeye Acre Farm LLC a call at 330-231-2324.
