Description

WIMPY LIL RIVER

Here is one that will take your heart. Wimpy Lil River is a 2018 registered AQHA gelding that stands 15 hands tall. He is by Wimpy Lil Badger who is by the incredible, 12 million...almost 13-million-dollar sire, Wimpys Little Step. Wimpys Little Step just retired from breeding this year and his legacy is growing and growing by the year. To be able to get a horse with this lineage is one for the books. Royal, as we call him, is out of Baileys River Bottom which is an appendix mare by the quarter horse stallion Tardys Playboy. This guy is not only a very good looking, well put together gelding, he is also a sweetheart. He has a heart of gold and loves to spend time with anyone, especially the children at the farm. He goes out of his way to please and is one of the easiest horses that we have worked with. His willing and laid-back personality has made us confident in knowing that he will always take care of his rider. He drops his

head for the girls to put his halter on, he doesn't mind being taken on play dates at the swing set with them, and he loves to go on any adventure that you want to take him on. He started his life in reining training, and he knows all the moves and has an easy turn around and a smooth steady stop. He has three smooth, easy to ride gaits with a collected jog and a beautiful extended trot. He has a wonderful neck rein and responds well to your seat and leg cues. He can go English and western and has been a lot of fun to ride bareback with no bridle. Royal has been on lots of trail rides and has no problem riding off the farm alone. He does great in large group rides and doesn't mind being the leader or fall somewhere in the middle. He walks right onto the trailer and comes off and ties to the trailer and waits patiently for you to get ready to hit the trail. He will cross any type of water, from creeks to rivers and even that little puddle on the trail. He has been ridden in traffic and does not mind it at all. With his golden palomino color, beautiful blonde mane and tail, and solid build, this guy is sure to get you noticed wherever you go. We know that he will fit into any program and no matter how often or how little you ride him, he always comes out that same, fun to ride horse each time. If Royal is the horse you have been searching for then please give Ezra Yoder of No Reins Elite Horses LLC a call at 330-600-5459.
