**Description**

**CB GOLDEES BLAZE**

Blaze is a cute 7 year old sorrel gelding with 3 white socks and a beautiful blaze face. Standing in at 15.1HH and weighing 1150lbs he is built to last and is handsome to boot! This gelding has a sweet mind and is a pleasure to be around. He is a good mover and very athletic. Blaze is broke in the bridle and will turn heads wherever you go. This horse has smooth lead departures, moves willingly off leg pressure, and wants to please. He is a finished head horse that is ready to take you to the pay window. Blaze is calm in the box, runs hard, handles cattle great, and faces with ease. From a number 4 roper to a number 8, Blaze will fit the bill. He is a natural on the ranch and is everyone's first choice when there's cattle to be doctored. He will drag calves to the fire, push through bog and bush for stray cattle. You can ride him outside by himself on the trails or load up and haul into town to a jackpot. With a sure foot, he crosses

obstacles, and water with ease, and is a delight to go take a leisure ride on. Blaze has a big hip, good wither, big bone, and nice feet. He has a big, deep stop and knows how to use himself. He is gentle and loves attention. He can handle time off and will be the same horse you turned out. Blaze enjoys his baths, stands quiet for the farrier and is great to clip. You can trust him with your grandma or your kids and he will babysit them all day long. This horse would be a great asset to anyone's ranch or rope horse pen! Don't miss this cool dude.
