GELDING - YEAR FOALD - 2014

COLOR Black and white

BREED - TWH

REGISTERED - NO

Billy is a GENTLE, solid, stout, 15.2 hand, 7-year-old, black and white gelding. Billy has been in the family most of his life. Billy was purchased by my parents 3 years ago from a dear elderly family friend, who rode him for years as his main trail horse. For the past 3 years, Billy has spent countless hours on the trail, been used as a lessons horse for inexperienced riders and as a therapy horse. He is great with kids and loves attention. Loud noises and children running all around him do not faze him. Billy has a smooth gait, neck reins, and side passes. He is good with guns, bullwhips, dogs, traffic, wagons, and mules. He will drag logs and cross any trail obstacle. Billy has no spook about him. He is a true been there and done that type of horse. He is easy to catch and stands tied

quietly. Billy is a great kid's horse, good for a beginner or experienced rider. He is a super sweet horse with a kind disposition.
